

St. Cecilia's Public School
Geekoz IT Club
Powerpoint Presentation Competition
Class: VI-VIII

Geekoz IT club organized an interclass presentation competition on 03.05.2023. The theme of the competition was – “Save Earth”. Students of classes VI to VIII participated in the competition. The topics for presentation were:

Class VI : Save planet – Reduce, Reuse and Recycle

Class VII : Global Warming – Challenges and Solutions

Class VIII : Sustainable development – Need of the hour

Students participated enthusiastically in the competition. They made beautiful presentations. Class VI students emphasized on the need and importance of 3Rs. They explained through their presentations that one of the best ways to help the environment is to reduce the amount of waste you produce. Instead of using one-time use items, like plastic water bottles or plastic grocery bags, opt in for a reusable option. Recycling is beneficial in so many ways. It helps to reduce waste and reuse material. Class VII depicted the challenges and solutions to deal with global warming which is one of the most dangerous environmental issues. Class VIII students brought our attention towards the need of sustainable development for environment protection, economic growth and social development.

The competition showcased the creative, communication, presentation and IT skills of the students.
