St.Cecilia's Public School

Doha Vachan Activity

To foster a love for language and to introduce our young learners to the richness of India's literary heritage, the Pre-Primary Wing organized a captivating 'Doha Vachan' Activity on 24th October 2026.

The event provided a wonderful platform for our tiny tots to recite simple, yet deeply meaningful couplets – Dohas – composed by legendary saint-poets like Kabir Das and Rahim. Dressed in colourful traditional attire, the little Cecilians recited the dohas with remarkable clarity and innocent expressions, leaving everyone spellbound.

The children participated with immense zeal, enthusiasm and confidence, showcasing their budding oratorical skills. The activity was not merely about recitation, but about connecting with our roots and imbibing timeless wisdom in a joyful manner.

Headmistress Ma'am appreciated the confident presentation, pronunciation and self-confidence of the students.The activity was indeed an enriching and delightful experience that nurtured linguistic skills and moral values among our little learners.
