

St.Cecilia's Public School Baisakhi Brings Colour and Joy

Our Nursery and Prep learners at St. Cecilia's Public School welcomed the academic year with a vibrant Baisakhi celebration.

Tiny tots of Bal Vatika I and Prep arrived in bright traditional attire, filling the campus with festive colour. They danced to lively Baisakhi songs, clapping and swaying to the rhythm of the harvest spirit.

Headmistress Ms. Bhawna Vij shared the cultural and agricultural significance of Baisakhi, and the children listened with wide-eyed curiosity. The celebration continued with hands-on craft activities, where students created beautiful Baisakhi takeaways to bring home.

The day was a joyful blend of learning, culture, and celebration, setting a cheerful tone for the year ahead.
