

St.Cecilia's Public School Cheerful Celebration of Yellow Day with our tiny tots

The Pre-Primary Wing turned bright and breezy on 11th May 2026 as little Cecilians celebrated Yellow Day in a fun-filled way.

Dressed in sunny shades of yellow, the children stepped into classrooms decorated with yellow balloons and flowers. The cheerful setting set the mood for a day full of energy and giggles.

The highlight was a lively Western Dance session where our tiny stars danced to peppy tunes with big smiles and confident moves. To beat the summer heat, children also enjoyed a hands-on Lemonade Party. They helped squeeze lemons, stir in sugar, and create their own glass of fresh lemonade. Tasting their creation taught them how yummy and healthy homemade drinks can be!

Yellow Day blended fun with learning, from recognizing colours to trying something new, it was a joyful day that left our little ones smiling, confident and bubbling with joy.
