

St. Cecilia's Public School
QUIZ REPORT
TOPIC: SUPERLATIVES
Class: 4 and 5 (2.5.26)
Class: 3 (6.5.26)

A quiz on the topic “Superlatives of India” was conducted for the students of Classes III to V with great enthusiasm and participation. The quiz aimed to enhance students’ knowledge about India’s remarkable records, famous landmarks, geographical wonders, and unique achievements. The activity included interesting questions related to the famous features of India. Students actively participated and answered confidently, showing keen interest and awareness about the country.

The quiz was conducted in an interactive manner, encouraging teamwork, quick thinking, and healthy competition among the participants. Students enjoyed learning new facts while improving their general knowledge skills. The event helped in developing curiosity, confidence, and learning beyond textbooks. The enthusiastic response from the students made the quiz both informative and enjoyable. Overall, the activity was a great success and proved to be a meaningful learning experience for all participants.
