

# St. Cecilia's Public School

## Geekoz IT-Club

### Primary Wing

#### Class 1 to Class 5)

Workshop - **SAFETY ON SOCIAL NETWORKING SITES** conducted in month of August & September 2024.

Date of events	Class	TOPIC
13.08.2024	III-V	SAFETY ON SOCIAL NETWORKING SITES
09.09.2024	I-II	SAFETY ON SOCIAL NETWORKING SITES

A special workshop on Cyber Safety was conducted for students of Classes I-V. The session was conducted by Geekoz IT Club. The session covered the basics of cyber security and created awareness about various topics like having a safe and strong password, Safe Social Media Practices, Balancing Social Media Use and Mental Health, Identifying and Reporting Suspicious Activity, Avoiding Scams, Managing Your Social Media Settings, cyber bullying, Internet trolling, two step authentication and many more privacy settings. The students were informed and encouraged about the do's and don'ts in the cyber world. An in-depth knowledge was given to the students on the problems associated with being on Social Networking sites.

The session was extremely engaging and interactive. Student's queries were clarified. It helped in guiding the students about having a clean digital footprint and using internet responsibly.
