**Class V-D**

**SAVE WATER**

**10.08.2023**

**"Water is a gift from the Creator, Protect it, Respect it!"**

Water scarcity has become a big problem now a days and the main reason is lack of awareness among children. In order to create awareness among them regarding conservation of water, Class V-D conducted an assembly on August 10, 2023. Students depicted the importance of saving every drop of water and not waste it unnecessarily through Nukkad Natak.

Students participated enthusiastically to spread the message of saving water in order to save environment with the help of slogans and banners. Many ideas were given by students like turn off the tap while brushing your teeth, take shorter baths, check leaking taps etc. They also took a pledge to use water wisely and motivate others also which was followed by a foot tapping dance.

The main objective of it was to increase awareness among the students about the scarcity of clean water and sensitize them about the conservation of precious natural resource 'Water'.
