

St. Cecilia's Public School
School Assembly
Class IX-C
Theme: "Save Trees" – Environment

Class 9-C students conducted assembly for classes 9, 10, 12 to spread awareness about the need of the hour i.e. to save planet Earth and our environment from further degradation and destruction. Through the medium of a skit, the students raised awareness, regarding combating pollution, cutting of trees, rapid industrialization and other factors negatively affecting our environment. The students presented solutions to refurbish the environment, planting trees, encouraging bio degradable products, banning use of plastic etc. The message was loud and clear that the future generations must be able to live on a clean and green planet.
