Story Enactment: "Little Red Riding Hood" by Class Prep-A students

The Pre-Primary wing of Cecilia's Public School brought the classic fairy tale "Little Red Riding Hood" to life through a delightful and colorful enactment by our talented Class Prep-A students. The event was held on 9th May 2025, and it turned out to be a heartwarming display of creativity, teamwork and budding confidence. Revered Director Sir, Respected Madam Principal, Academic Advisor (Primary) graced the occasion to witness the world of creativity of tiny tots.

Dressed in vibrant costumes, the young performers played their roles with enthusiasm and charm. The characters of Red Riding Hood, the Wolf, Grandmother, the Woodcutter and other forest creatures were portrayed beautifully, with simple yet expressive dialogues and actions. The little actors captivated the audience with their innocence and spirited performance.

The stage was decorated with a fairy tale forest setting, creating an immersive environment that added magic to the show. Teachers guided the students through weeks of preparation, focusing on expression, voice modulation and stage confidence. Parents and staff in the audience were thrilled to see the children express themselves so joyfully. The enactment not only made learning fun but also helped in developing language skills, social interaction and a love for storytelling. Kudos to our Class Prep stars for their wonderful performance!

The event with a round of applause and cheerful smiles, making it a memorable day for everyone involved. The parents expressed their appreciation towards the school management for the ethos of holistic education.
