SPECIAL CELEBRATION OF SPECIAL TREE PLANTATION DRIVE ON 5TH-10TH AUGUST 2022
PLANTATION DRIVE

In continuation of circular No40(6)74/SCB/2020/163-167, dated 13/05/22 regarding tree plantation/Greening drive in Govt./Govt. Aided/Private unaided recognised schools of DOE,GNCT of Delhi, as ordered for a special tree plantation drive to be conducted during 5th to 10th August for maximum plantation in all the schools of DOE, GNCT of Delhi.

In regard to above stated circular, The Eco Club of St. Cecilia's Public School, F-Block Vikaspuri, New Delhi has organised a special plantation drive on 9th August 2022, in the presence of Respected Principal Madam, Co-ordinators, Eco Club in-charges and members of Eco Club.

Van Mahotsav has been an inevitable festival celebrated by Eco Club of school every year with great enthusiasm and participation by all the students of the school from class 1-12. The students were firm in their resolution to take active participation in this plantation drive. They assured that they will stand up for righteous cause and give their best possible successful implementation of this drive.

Students of Eco Club selected the area available in the school for plantation drive. Around sapling of 20 plants including shrubs and trees were planted by members of Eco Club. Eco-warriors were fully determined with motivated spirit for their active participation.

The entire awareness initiated by the Eco Club for plantation drive was done under the guidance of respected madam principal, co-ordinators and Eco Club in-charges.

Madam Principal stood with children throughout this plantation drive and incessantly, motivated them for the same. She herself participated in this plantation drive with students enthusiastically and encouraged the students to look after the trees in future.

Co-ordinators and Eco Club in-charges also motivated and encouraged the students for the same. At the end, Madam Principal interacted with the students about the importance of plantation drive. All the students committed to contribute for this kind of drive in their own specific ways towards making the environment green and healthy for all.
