Assembly
Topic: Van Mahotsav
Date: 27.7.26
Class III – A

Class III students presented a meaningful and vibrant assembly on Van Mahotsav, highlighting the importance of trees and forests in our lives. The programme began with informative lines explaining the significance of Van Mahotsav and the need to protect our environment. The students presented a lively dance performance depicting the beauty of nature and the importance of planting trees. They also raised inspiring slogans such as “Plant Trees, Save Earth” and “Go Green, Keep the Earth Clean.” Through their confident speech, dance and slogans, the students beautifully conveyed the message of tree conservation and environmental protection.

The assembly was an engaging learning experience that encouraged everyone to plant more trees, protect nature and make our planet greener and healthier.
