

**St. Cecilia's Public School**  
**GeekozIT Club**  
**Gaming Competition Conducted Online**  
**Date: 24th October**  
**Classes: 1 to 5**

The Geekoz IT Club organized an exciting **Gaming Competition** on **28th October** for students from **Classes 1 to 5**. The event aimed to enhance students' digital skills, focus, and logical thinking through fun and interactive online games on the **DigiPuzzle** platform.

Each class participated in different activities designed according to their level:

- **Class 1:** Fire Typing in the DigiPuzzle app, where students tested their typing speed and accuracy.
- **Class 2:** Motor Typing in DigiPuzzle, helping young learners improve their hand–eye coordination.
- **Class 3:** Find the Difference in DigiPuzzle, which encouraged observation and attention to detail.
- **Class 4:** Find the Difference in DigiPuzzle, allowing students to sharpen their visual perception skills.
- **Class 5:** Summer Block in DigiPuzzle, a puzzle-based game that promoted critical thinking and strategy.

All participants took part with great enthusiasm and sportsmanship. The computer lab was filled with excitement as students enjoyed learning through games. The winners from each class were **honoured with medals and certificates**, which were presented by our **Principal Ma'am**, who also appreciated the efforts of all participants and encouraged them to continue exploring technology in creative ways.

Overall, the event was a great success, combining fun, learning, and healthy competition. It truly reflected the problem solving skills of students promoted by the **Geekoz IT Club**.
